Photo Production Coordinators

For this final *BOL Inside* report of 1997, I thought a review of past columns might be appropriate. This page has given me the opportunity to communicate with our readers on random topics and subject matter. From personal reflections and observations to profiles of our contributors and models, I've tried to keep it entertaining and informative. In the *BOL Inside* of March/April '95, I shared my youthful introduction to PLAYBOY with the discovery of my father's June '61 issue. My remembrance of the classic Art Paul-designed cover with the words "Playboy" and "Playmate" typeset as if taken from a dictionary stirred the memories of many readers who shared their personal early experiences in e-mail and letters. The next month's *Inside* profiled our Atlanta-based crew of Photo Production Coordinator Cynthia Kaye, photographer David Rams and model Rachel Jeán Marteen. Both Cynthia and David continue to create sexy and exciting images (check out pages 48 and 49 in this issue), while Rachel Jeán advanced to Playmate stardom as Miss August '95. The subject of the July/August '95 *Inside* was the cover photo session with the young new phenom of MTV, Playmate of the Year Jenny McCarthy. Several months prior, she and Santa successfully changed the meaning of Christmas with a light-hearted lap dance for our *Nudes* NSS, and so we invited her back for a follow-up *BOL* cover. I shared an updated bio on her post-Playmate successes and safely predicted, "Jenny possesses all the qualities needed for superstardom." No, duh! The January/February '96 column gave the results of our first Readers' Choice voting for favorite lingerie models featured in 1995. The cover and issue were such a huge success with readers and our models that the Jan/Feb *BOL* is now officially a portfolio of your favorite girls. The newest top 20, a result of our first-ever mail-in ballot and questionnaire, will follow in the next issue, scheduled to hit the newsstands in mid-December. In July/August '96, the 50th edition of *BOL*, I provided a short text on the members of our staff. A year and a half later, we're all still busy at work—with one addition, Design Assistant Jay Parrilla, who recently celebrated his first-year anniversary with our crew. Sung Hi Lee and Lisa Boyle were featured in *Inside* in September/October '96 and March/April '97, respectively. Sung Hi's *BOL* cover helped her career zoom, with calendars, films, books and stardom in her native Korea resulting. With her traveling and busy schedule, we're pleased she gave us time for the photos on pages 66 and 67. Lisa continues as a *BOL* favorite and her vamping for *Inside* belies her acting accomplishments and drive to succeed. Lisa teams up in this issue with another of our stars, Patricia Ford, in a lazy afternoon's duet. Very sexy. Another year comes to a close, but watch for more excitement and pretty women in the coming year's offering of *BOLs*. And check this page for my little spin on each issue.

Richard Nixon welcomed Neil Armstrong back from the moon; *Midnight Cowboy* captured best picture honors, Duke Wayne corralled the best actor award for *True Grit*; New York sports underdogs made believers out of everyone by capturing the Super Bowl and World Series; bell bottoms and long, straight hair were in; anyone over 30 was out.

HOLLY WITT Our cover girl, Miss November '95, claims she's the all-American girl—with one small caveat: she hates sports. "Flying balls scare me." *Andrew Goldman.*

MICHELLE MONROW If she could do one thing and never get caught, this London model and horsewoman would figure a way to "kidnap Brad Pitt." Next best choice: someone who's "caring, romantic, good-looking and muscular." *Byron Newman, 3, 4, 5, 6-7.*

DITA VON TEESE Travel and the ballet are longtime hobbies, but snowboarding is a new diversion. "I think I prefer skiing, though. It's much easier on the butt!" *Mizuno, 8, 9.*

ROCHELLE RIVERS Her derring-do as a kid has followed her into adulthood. Scuba diving, jet skiing and skydiving are among her turn-ons. Turnoffs? "Cold coffee, slow drivers and grunge." Vital stats: 5'7", 124 lbs., 36-25-35. *Gen Nishino, 10, 11.*

ELINA GIANI "I'm pretty wild on the outside, but really shy on the inside," Elina told us. OK, then tell us about your family. "I'm in a magazine butt naked—and the readers want to know about my family?" Hmmm, never mind. *Kelly Scott, 12-13, 78, 79.*

VICTORIA ZDROK She was a summa cum laude college graduate at 18, has a law degree, is multilingual, is a Playmate (October '94) and is a successful model and an aspiring TV talk show hostess. So how would this energetic, dynamic, ambitious woman describe an ideal day? "Doing absolutely nothing." *Gen Nishino, 14, 15.*

LISA BOYLE & PATRICIA FORD What's better than one Readers' Choice Supermodel on a photo spread? Two should double your pleasure. Lisa and Patricia were both top vote-getters in last year's balloting and this pas de deux should gain new admirers. You can find out more about Lisa and Patricia at their official web sites, www.lisa-boyle.com and www.patricia-ford.com. *Michael Bisco, 16, 17, 18, 19, 20-21.*

COURTNEY REED With a degree in economics, this Brit has a practical nature. When asked to describe her ideal man, she slipped into her supply-side mode. Her choice guy? "Old and rich." Vital stats: 5'4", 7 stone, 34-23-33. *Byron Newman, 22, 23, 60, 61, 62, 63.*

KATIE PRICE Part of our British contingent, Katie is also featured in the concurrent NSS, *Playboy's X-Girls*. *Byron Newman, 24, 25.*

TIFFANY TAYLOR A Miss Photogenic American Dream finalist, Tiffany landed her own month (April) in the 1998 *American Dream Calendar*. Speaking of dreams, she hopes to finish her studies in psychology and open up her own practice. *Gen Nishino, 26, 27.*

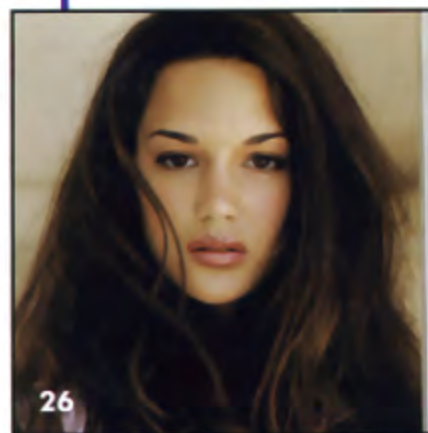

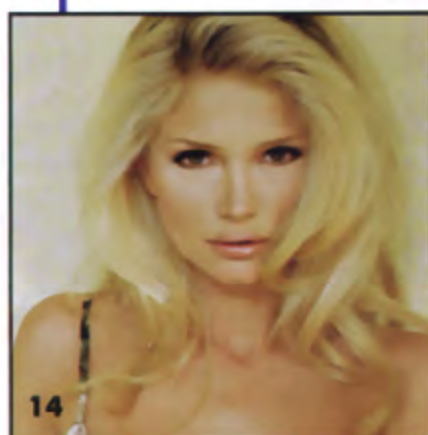

VICTORIA SILVSTEDT Her reign as PMOY has kept her on the fast track: Appearances on *Rolanda*, *Inside Edition*, *Entertainment Tonight* and countless promotional gigs for Playboy and Guess have left her little time to cultivate a social life. But if she had the luxury of a free night, her ideal date would be "funny, intelligent and crazy." *Michael Bisco, 28-29, 30, 31.*

TRACIE LINAI JOHNSON Shy, but competitive, Tracie wants to learn everything she can about building at the construction company where she now works. *Mizuno, 32, 33.*

HEIDI MARK Her films *Weapons of Mass Distraction* and *Swimsuit: the Movie* are in the can. Next up, co-host of a Fox network game show called *Big Deal*. *Michael Bisco, 34, 35, 36-37.*

SHANNON HARINCK "The worst pick-up line I ever heard was, 'Do your feet hurt? Because you've been running through my mind all night.' And I was like, 'Does that work for you? Because it's pretty disgusting for me. Yuk.'" *Michael Bisco, 38, 39.*

MALISIA PETROPOULOS Her date from hell? "My blind date and I barely spoke all evening. Then things went from bad to worse when a fight broke out. A guy ducked and I got punched in the face. I went home with a black eye." *Michael Bisco, 40, 41.*

CARRIE WESTCOTT She's a Playmate (September '93), hosts *Playmate Party* on Playboy TV and has just finished filming *Savage Beach*, but her greatest personal accomplishment, she says, is that she "stopped dating rock stars!" *Michael Bisco*, 42, 43.

STACY SANCHES Even 1996's PMOY has dating dos and don'ts: She always checks out a guy's kissing technique, but never eats spaghetti ("too messy"). *Mizuno*, 44, 45.

JOVANNA VITIELLO Models are smooth, refined and graceful, right? Jovanna cast some momentary doubt on that notion when she walked into a closed glass door in front of her boyfriend's parents. Both she and the relationship survived. *Gen Nishino*, 46-47.

CHANEL BERMUDEZ Currently working at a boutique, Chanel once did Madonna impersonations. "I think I worked every bar mitzvah in Atlanta." *David Rams*, 48, 49.

JAIME PRESSLY She's spent more than half of her 20 years studying acting, dancing and gymnastics. All that discipline has paid off with featured roles in five films now in release or in production. Vital stats: 5'5", 118 lbs., 34-24-34. *Michael Bisco*, 56-57, 58-59.

SAMANTHA LAURENT Paired here with Courtney Reed, Samantha made the Readers' Choice final 20 for the first time last year. *Byron Newman*, 60, 61, 62, 63.

DAWN RHOADES Although she doesn't fit the typical biker chick image, Dawn learned to ride under her dad's tutelage at age nine and still unwinds on her hog at the end of the day. Turn-on? Seventies and Eighties music. Turnoff: Bad talk shows. *Gen Nishino*, 64, 65.

SUNG HI LEE She credits her September/October BOL cover for a glut of jobs. Films, calendars, commercials and books are all in the works. *Michael Bisco*, 66-67.

KYLEA BEIL An assistant with a Vancouver entertainment production company, Kylea uses her free time to ski, dance, ride horses and travel. *Mizuno*, 68, 69.

JENNIFER LAVOIE A string of beauty pageant victories led her to PLAYBOY and the August '93 centerfold. She loves the smell of shaving cream and a man she can "kiss for hours." You won't qualify if you're a guy who thinks money can buy you everything. *Mizuno*, 70, 71.

LARISSA PONOMAREVA Like many of her American counterparts, this Russian-born beauty considered herself a tomboy as a child. These days she says she's "romantic, sensitive" and has a secret fantasy to make love in a park. *Byron Newman*, 72, 73.

KELLY GALLAGHER Miss September '94 eschews interest in lingerie. "I'd rather spend money on a pair of shoes. I hate panties. They just get in the way." *Army Freytag*, 74, 75, 76-77.

BARBARA MOORE Self-description? "Very organized, dependable, easy to get along with, caring, loyal, romantic, energetic, coordinated, sexy, stylish, very feminine—but most of all I'm loving in a very deep way." *Mizuno*, 80, 81.

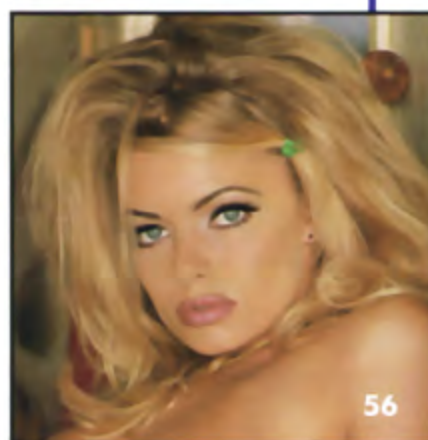

EMMA CAESARI What does she like in a man? "Nice eyes, tight butt and a fat wallet." And dislike? "Bad breath, big hips." *Byron Newman*, 82-83.

ASHLYN TYLER She made college honor roll, is a licensed cosmetologist, a paralegal and is aiming toward law school. What's left? "I'm looking for a wonderful, honest and truthful man—and they sure are hard to find!" *Louise Freeman*, 84, 85.

LISA ORTEGA Shyness has lingered since childhood, but that hasn't stopped her from hauling down numerous beauty pageant and bikini contest titles. *Michael Bisco*, 86-87.

MALIN ANDERSSON This Swede gets itchy without something to do, so she's willing to "work as hard as it takes to be somebody." *Mizuno*, 88, 89.

SKYLAR JAMES Part Blackfoot, part Cherokee, Skylar remembers growing up outdoors—climbing trees and fishing. These days she prefers shopping. *Gen Nishino*, 90, 91.

LETTERS OF THE MONTH

I'm writing from the USS John F. Kennedy somewhere in the Mediterranean Sea. I hope to see Tiffany Taylor as a Playmate of the Month, if not Playmate of the Year. She is without a doubt the most beautiful girl I have ever seen in your magazines. The other guys in my squadron also believe she is the sexiest woman alive and are trying to have her likeness painted on one of our jets. We would really appreciate it if you could send us more Tiffany. Better yet—send her! ...The Black Aces

The pink cover of the current BOL (September/October) is great, but I was disappointed that none of the photographs of Shauna Sand showed her bare, unobstructed breasts. ...J.G.S.

I really dig your Playboy Specials and was particularly stunned by the beauty of Danelle Folta. I remember reading in the *Girls of Summer* issue that she said she was "all natural." While all of the Playboy women are beautiful, I would like to see a special issue of "All Natural" Playmates. And can we have Danelle as the cover girl? Please consider. ...J.E.

Congratulations for producing another ass-kicking BOL! I have been waiting a long time to see more pictures of that princess of seduction, Rachel Jeán Marteen. Finally you delivered! Along with that Mexican dream girl, Monica Mendez, you have created another masterpiece of fantasy pictorials. ...P.R.M.

MODEL SEARCH

Playboy is always looking for new models. Three upcoming Newsstand Specials offer outstanding opportunities for women hoping to break into this exciting field:

COLLEGE GIRLS The qualifications are simple: you must be currently enrolled in college and at least 18 years of age.

HARDBODIES We're looking for personal trainers, weight lifters, athletes, body-builders or any woman who displays hard-won physical perfection.

NATURAL BEAUTIES This issue is devoted to beautiful women in their original packaging. Only requirements: no enhancement, no alterations.

If you or someone you know would like to appear in one of these NSS, send recent color snapshots, Polaroids or slides that clearly show face and figure along with a complete list of personal data. This should include height, weight, measurements, activities, sports and any interesting or unique biographical information. If you are a college student, include school, year and major. Potential models must be 18 years of age or older and be able to prove it. Photocopies of two pieces of identification must be included with all submissions. One piece of I.D. must have a current photograph. Submissions returned only with self-addressed, stamped envelope. Contact us via mail, phone, fax or e-mail for complete rules and information.
